“Far beyond the linguistic opportunity I had been seeking, studying abroad showed me how I could thrive academically, socially, and professionally in a place I had never been and had no personal ties to. Yale made it possible for me to open doors in a new country, and now I have exciting opportunities waiting not only in New Haven, but across the Atlantic.”

Chloe Abbruzzese / Davenport College, Class of 2027
 Chloe is a double major in Global Affairs and Political Science with a Certificate in German Studies. She spent the spring of 2025 in Vienna, Austria through the IES Abroad: European Society, Politics, and Culture program.
