Summer 2022 Trimester

Programme dates vary. View all our summer programme offerings [here](#).

Tuition Fees

- Non-EU Single trimester: €8,400
- Non-EU Full year/2 trimesters: €15,800

Please note, the fees listed above vary slightly for the freshman and pre-physical therapy programmes. [Link to all Non-EU occasional programme fees](#).

Study Abroad fees for EU residents vary, view [EU rates](#).

Housing & Cost of Living

On-campus housing is in shared apartments with single bedrooms. Alternatively and by request, UCD Global facilitates students in proposing suitable off-campus housing in private rented houses and apartments in Dublin.

Accepted students will receive UCD Residences booking instructions to their email address. Information about on campus options and fees are available on the [residence website](#). Information on estimated cost of living per month is available [here](#).

Academic Information

UCD offers a number of [study abroad programs](#) across the university. Students should choose the program that matches their academic area. Students can take a minimum of 20 ECTS (approx. 4 modules) and maximum of 30 ECTS (approx. 6 modules) per trimester. Home institutions will confirm their students required course load.

The [UCD Module Finder](#) for the 21/22 academic year will be updated in Summer ’21. Students register to classes prior to arrival & up to 2 weeks after the first day of term, with guidance from their UCD study abroad programme manager.

Examination results are released online to all students and they are notified by email regarding the date they will be available. Statement of Results will be sent to partner universities via email after final grades are released.

1. Go to the UCD Course finder page.
2. Click Special Groups > Study Abroad > Search. This will give you the list of available applications for study abroad programmes.
3. Click the blue ‘Apply’ button for the preferred programme.
4. Create an account on the application portal.
5. Continue to open the application, complete & submit the application for review.

Immigration: Some, but not all, students will require an entry visa for Ireland. For example, students who hold a US passport do not require a visa. All students from outside the EU/EEA must comply with Irish immigration requirements, which can be different for every country. For more information on visas & immigration, click [here](#). Students must also comply with COVID-19 travel regulations, see our [FAQs](#).

Accommodations: If a student needs disability support, they should contact [UCD Access Office](#) prior to arrival.

Student Services: Information on a range of UCD student services can be found [here](#).
